

GENTLE PERSUASIVE APPROACHES - BASICS

Overview of GPA Basics Course

GPA Basics, developed by Advanced Gerontological Education (AGE Inc.), is an innovative dementia care curriculum based on a person-centred care approach. Designed for interdisciplinary point of care staff across a variety of sectors, GPA Basics is delivered as four modules during a 7.5-hour day.

The education session is evidence based, interactive and practical. GPA Basics also includes respectful self-protective and gentle redirection techniques for use in situations of risk.

Prerequisites

Potential or current job role includes interaction with persons with dementia or proof of registration for course completion in a health-related field.
